5. You may also download the “What to Bring” form if you are applying for residential treatment.

6. If you have any medical or psychiatric conditions that require attention, please have all your doctor’s evaluation, medication information and updated reports fax with your application. This will help expedite the screening process. Download “Medical Consents”, complete and sign if we need to contact your doctor. Please fax with your packet.

7. If you are appropriate for services you will be placed on the waitlist (residential only) and a case manager will contact you or your advocate to inform you of such status. **There is no waitlist for Outpatient services.**
